

Setting Up Application Environment

Date	31 October 2022
Team ID	PNT2022TMID24681
Project Name	Inventory Management System for Retailers

Create an account in SendGrid:

The screenshot displays the Twilio SendGrid dashboard for user Surendiran Sivaku. The left sidebar contains navigation links: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS (marked as NEW). At the bottom of the sidebar, there is a 'REPUTATION' bar at 100% and a 'VIEW ACCOUNT USAGE' link. The main content area features a welcome message 'Welcome, Surendiran !' and a prompt to follow setup steps. A blue banner reads 'Send your first emails with Twilio SendGrid'. Below this, the 'Send your first email' section offers three options: 'Integrate using our Web API or SMTP Relay' (with a 'Start' button), 'Build and send using Marketing Campaigns' (with a 'Start' button), and 'Integrate with third-party applications' (with a 'Learn More' button). An illustration of two people celebrating is in the top right corner.
